

President's Message;

The Government of India unveiled 'Pharma Vision 2020' aimed at making India a global leader in drug manufacturing. India is the largest provider of generic drugs. It is expected that, the demand for healthcare in general, particularly lifestyle diseases, coupled with a better standard of living and health awareness, has led to an increase in spending on healthcare and wellness. The Indian pharmaceutical market size is expected to grow to US \$ 100 billion by 2025, driven by increasing consumer spending, rapid urbanization, and raising healthcare insurance among others. Global scenario of health care system is changing due to increasing awareness among the people, boosting the profession of Pharmacy along with medicine.

We believe that, demand for quality Pharmacy education is growing and the quality of education offered to Pharmacy graduates needs to be comparable to world class. Our Pharmacy institutes are approved by the concerned statutory bodies (PCI -New Delhi, Govt. of Maharashtra/DTE, Mumbai) & fulfill all the norms & conditions laid down by them. Our B Pharm college is affiliated to Dr Babasaheb Ambedkar Technological University- Lonere & D Pharm college is affiliated to MSBTE, Mumbai.

Our institutes have well qualified, experienced & student caring staff. Dr. B. B. Jain a well known personality in the field of Pharmacy education & research, with rich experience of over thirty years is the Principal of our B Pharmacy college. Dr. Jain is recipient of best teacher award & gold medal for his Ph. D. thesis. Our faculty gives attention to each student to focus on his strength & develop confidence. IVM emphasis on overall development of our students. We provide students platform to excel not only in academics but also in extra-curricular activities. The campus has all basic amenities such as canteen, internet facility, girl's hostel, gym, sports ground, etc.

I extend my best wishes for your bright, successful & prosperous career in Pharmacy.

Shri. Ramdas Kakade,
President, IVM

Secretary's Message;

I extend a warm welcome to all the parents & students to the beautiful campus of Indrayani Vidya Mandir (IVM). IVM came into existence in 1965 by the initiative taken by eminent personalities like Acharya P. K. Atre, Dr. M. M. Altekar, & others. IVM has been blessed with towering personalities like Prof. Ramkrishna More, Balasaheb Kibe, Dadasaheb Dhore, Balashaheb Barmukh, Dr. G. S. Mahajani, Balasaheb Desai, Vasanttrao Vaidya, R. T. Doshi and many more. Under their guidance, Indrayani Mahavidyalaya was established as a pioneer Education Institute in Maval Region.

We are proud to tell you that, Indrayani Mahavidyalaya has earned a good name as excellent educational institute in Science, Commerce & Arts. Since its inception, Indrayani has not looked back. We are striving for the all sided development of our students. The mission of IVM is to provide education to the students from socially & economically backward sectors of society, especially girl students, and to equip them with knowledge & skills to face the competitive world and thus make them self reliant. Indrayani celebrated its golden jubilee year in 2017-18. Observing that there is no Pharmacy college in the fast developing city of Talegaon Dabhade, the management of IVM, proposed to start a new D Pharmacy & B Pharmacy college in Talegaon Dabhade.

I, in the capacity of Secretary of Indrayani Vidya Mandir, on behalf of all trustees, welcome all aspiring students to the Pharmacy institutes of IVM & wish you all the best for your future.

Shri. Chandrakant Shete,

Secretary-IVM

Principal's message:

I extend a warm welcome to the parents & students to the beautiful campus of Indrayani Vidya Mandir (IVM).

Observing that there is no Pharmacy college in the fast developing city of Talegaon Dabhade, in its 50th year the management of IVM, under the able leadership of Hon. Shri Krishnaraoji Bhegade (Ex MLA), IVM started D Pharmacy & B Pharmacy college in Talegaon Dabhade. Our President, Shri Ramdasji Kakade, a great visionary & a dynamic person, has a strong conviction to provide quality education & inculcate a sense of discipline, character & values in the youth of our country. Under the able guidance of Shri Kakade, we are determined to transform the youth into professionals with the right knowledge, skill, attitude & values. For achieving this, IVM has created excellent infrastructure, including spacious class rooms, well equipped pharmacy labs, instrument lab, machine room, well furnished library & reading hall, computer center with latest hardware, software & internet facility, language lab, seminar hall, etc.

Our objective is to impart quality education & training essential for a successful professional career in Pharmacy. At present a Pharmacy professional has diverse career options from industrial to corporate, clinical to hospital, marketing to teaching, opportunities for Govt. sector to working abroad, etc.

I believe in the following words of Hon. A. P. J. Abdul Kalam "Learning gives creativity, creativity leads to thinking, thinking provides knowledge, knowledge makes you great".

Wishing our students a bright & successful career in Pharmacy.

Dr. B. B. Jain
